

Year 3 Home Discovery- Term 1

We hope you have all had a lovely summer break!

This term you will need to:

- Pick one activity to complete every week, so by Thursday 20th October you will have completed 7 of the activities of your choice.
- Make sure you complete at least one piece from each area, for example you might complete 2 maths, 2 English, 1 music and 2 topic activities.
- You can be creative with your work- you can stick a photo in, put a copy of some instructions you have followed, complete some writing about your task , draw and label a picture or even share your work on our Facebook page.
- Cross off the square when you have completed a piece of homework
- Complete one activity and hand it in by Thursday every week, the work will be checked, and your book will be sent home on Friday
- Make sure you are reading every night at home

If you require any further assistance, please speak to the class teacher or Miss Harrison.

Gods and Mortals! Year 3 home discovery grid, term 1

<u>English</u>	<u>Maths</u>	<u>Topic</u>
Write or perform poem from the point of view of either a God or Mortal. Your poem can be one you have written or one that you have found. You can record yourself performing it and share it on the Facebook page	Practise some or all of the 2, 3, 4, 5 and 10 times tables <u>You can:</u> -Write them out -Ask an adult to test you -Make some flash cards with different multiplication questions on one side and the answer on the other	Design a mythical creature. Which animals' body parts could you include in your design? What personality will your creature have? Make your creature using junk materials and give it a fabulous name. As an extra challenge write a short paragraph describing your creature.
Read and retell the story of Medusa, the Gorgon, who could turn people to stone if they looked at her. You can either draw, re-write or tell someone the story. Remember to include a detailed drawing of Medusa's face, showing the venomous snakes that sprouted from her head instead of hair. If you re-write the story make sure you include different openers, adjectives, conjunctions and interesting vocabulary. You might even like to change the end of the story- what else could have happened?	See how many different calculations you can write with the answer of 10, 20, 50 or 100. You can use addition and subtraction. To challenge yourself you could also use multiplication and division- think about doubling and halving.	Be inspired by Greek art! Look at online examples of pottery and create a design for an ancient Greek jug or bowl. You could choose a scene from Greek mythology to represent in your artwork or maybe another familiar story. Remember to use colours typical of Greek art, such as black, white, red and yellow.
Draw a picture of a Greek God or Mortal. You can label your picture with some interesting facts. To challenge yourself write a description of the Greek God/Mortal with lots of interesting facts. You could even make a fact file!	Create a maths poster about 2d and 3d shapes. Remember to include words such as, sides, corners, edges, vertices and faces. How many facts can you include?	Look carefully at the shapes of the letters of the Greek alphabet. Practise forming them and pronouncing them. Can you teach the alphabet to your family?
<u>PE</u> Take part in a homemade PE/ sports activity. This might be a walk, exploring where you live, a race, a bike ride, a bouncing competition on a trampoline or even a game of football, it's up to you. You could share your activity on Facebook or describe it in your book.	<u>Values Poster</u> Make a poster about what responsibility means to you! You can make this as creative as you like	<u>Cooking Challenge</u> Taste or make some traditional Greek dishes such as moussaka, figs, goat's cheese or taramasalata. Write a food review, describing what you have eaten.
